

And it's not  
all work and no play!  
Look forward to a guided  
tasting of southern German  
wines or craft beer from  
Heidelberg.

# FORUM MedTech Days 2022

Topics that move the MedTech industry.

## TOPICS

- The Medical Device Regulation: Different aspects.  
For example: "The MDR 2024 big crunch: how to deal with it?" by Erik Vollebregt
- The current status of EUDAMED
- Pre- and post-market clinical requirements and AI as a solution for the increasing requirements
- Digitalisation, cyber security and sustainability in the healthcare and medtech sector.  
For example: "Doing business responsibly and sustainably" by Aline Mittag
- International product liability
- Virtual networking opportunities
